Resolution 90-06-S
Revision of Final Exam Schedule Resolution
Introduced 1-23-90

PURPOSE: To extend time periods between final exam periods to thirty minutes

STATUS:

WHEREAS, The present final exam schedule allows only ten minutes between exam periods, and

WHEREAS, Ten minutes is not sufficient time between exams to get mentally prepared for taking the next exam, and

WHEREAS, Students need more time to get from one part of campus to another, and

WHEREAS, We propose to add twenty (20) minutes to each existing break period according to the following schedule:

8:00-9:50
10:20-12:10
12:40-2:30
3:00-4:50
5:20-7:10
7:40-9:10

and,

WHEREAS, This schedule will allow students having successive exams to avoid being academically disadvantaged as a result of the final exam schedule, and

WHEREAS, Under the proposed schedule, parking problems associated with finals week will be decreased as a result of allowing more time for those students and faculty who drive to campus to enter and exit the parking lots, and

WHEREAS, Under the present schedule, students and faculty seldom have sufficient time to eat lunch and use the facilities before their next exam
